Reasons?

Poor tech culture in girl halls

Lack of awareness

Why Lean In Tech?

A circle of Lean In Chapter - IIT Kharagpur

Female students interested in tech meet once in a 2 weeks.

Keep each other aware.

Talk about the fields we are interested in.

Workshop and mentorship

~60 people are found to be interested in mentoring and learning

Reading groups

~10 girls are interested in ML, AI

Many others in other fields like blockchain, robotics

THANK YOU
